Good Morning Christine,

Thank you for the email and schedule. Unfortunately I can't make tomorrow work because of a family commitment. Do you have time next week? Alternatively, if you have a few minutes today to squeeze us in, that would be appreciated.

Good Afternoon Christine,

We were referred to you regarding the nationwide contract by Sherry Kamke and Bob Egan. Are you available for a short call to provide some general contracting information? We are exploring utilizing Tribal Funds to expedite work.
